

Initial Meeting Notes

Creative Director: Damie | Designer: Erin Yonak

Project Title: Georges Méliès

- Content and visual emphasis should be placed on how Méliès was one of the first filmmakers ever, how contemporary culture still references him and his work (e.g., *Hugo* (2011)), as well as the fantasy/fiction aesthetics of his films like *A Trip to the Moon* (1902)
- The site should leverage HTML/CSS to emulate some of the visual special effects Méliès developed, such as superimposition and fades
- In terms of visual elements, the site should contrast black and white photographic imagery with the elaborate colorful and hand-painted stylistic elements of his films
 - Primary colors, jewel tones
